

AGX HOLDINGS LTD has been named as one of the UK's highest performing IT Support companies

Wed 08/08/2018

AGX HOLDINGS LTD has been included in a report on high performing UK IT Support companies

Featuring **AGX HOLDINGS LTD**, the new Plimsoll Analysis has just been released. Analysing, rating and valuing the UK's top 1565 IT Support companies, this new report will give you a fresh insight into each of your competitors and the market you all operate in.

The Plimsoll Analysis is designed to help high performing companies to improve further by giving them exclusive insight into key developments in the IT Support industry. Using the latest information available, the Plimsoll Analysis is the definitive guide to your industry and the key companies in it. Just a few key findings from the report include:

- **AGX HOLDINGS LTD has been named as one of the UK's highest performing IT Support companies**
- **303 companies are in financial danger and will struggle to survive**
- **235 companies are identified as excellent acquisition targets**
- **One third of companies are making a loss due to intense competition**

This new, unrivalled analysis examines each company in fine detail over 2 pages. Each company is also valued and then rated on their attractiveness as an acquisition showing at a glance the best current prospects in the market.
